### Use and purpose of the data obtained

The data we request in the different forms on our website are adequate, relevant and strictly necessary for the purpose of managing and processing the request you have made and to be able to send you information about our services, and you are not obliged to provide them. The mandatory data are specified in the form, and your refusal to provide them will mean that we will not be able to process your request. You also assure us that all data provided are true, accurate and relevant to the purpose for which they are requested.

The personal data provided will be kept as long as the business relationship is maintained, and once this relationship ends, they will be kept blocked for the legally established period of time, before their destruction.

The sending of the same implies your express authorization to incorporate them to our corresponding files, as long as the person in charge considers it convenient for the management of the request you make.

We inform you that your data will not be disclosed to third parties without your express consent, with the exception for those transfers necessary to comply with a contractual obligation.

By accepting the box on the form, you consent to receive information about our services that may be of interest to you. It is important that in order for us to keep your personal data up to date, you inform us whenever there is any change in them. Otherwise, we are not responsible for their accuracy. We consider that, if you do not expressly cancel your personal data from our files, you are still interested in continuing to be included in our files until the responsible considers it appropriate and as long as it is appropriate for the purpose for which they were obtained.

### Rights of data subjects

The owner of the personal data has the right to:

- Obtain confirmation as to whether or not the controller is processing personal data concerning them.
- Access to their personal data, as well as to request the rectification of inaccurate data or, where appropriate, request its deletion when, among other reasons, the data is no longer necessary for the purposes for which it was collected.
- In certain circumstances, data subjects may request the limitation of the processing of their data. In such cases, the data controller will only keep the data for the exercise or defense of claims.
- In certain circumstances and for reasons related to their particular situation, data subjects may object to the processing of their data.
- In certain circumstances, under the right of portability, data subjects have the right to obtain their personal data in a structured, commonly used and machine-readable format and to transmit it to another data controller.
- The data subject may exercise his or her rights:
- By writing to the company with address Calle Zurbano, 23 Madrid 28010 (Spain), reference "Data Protection".
- By e-mail to the address [info@kobholabs.com](mailto:info@kobholabs.com) indicating in the subject "Data Protection".

If you consider that your rights have not been adequately addressed, you have the right to file a complaint with the Spanish Data Protection Agency.
